How to Make the Four Finger Game

- Cut out the four finger square along the outside line
- With the printed side up, fold the square in half and then in half again, open the folds.
- Fold each corner over so they meet in the middle, do not let them overlap.
- Leave the square folded, and flip the square over.
- Now fold the corners into the centre make sure they do not overlap.
- Fold the entire square in half and poke your thumbs and forefingers in under the flaps.
- Bring your fingers together to make a peak
